Under terms of this lease agreement, Rocky Mountain High School Baseball will provide a sign affixed on the outfield fence for the 2023 spring and summer season. It is the obligation of the business or individual to provide the design for the banner including wording and graphics, to Rocky Mountain High School in a timely manner to allow for sign production. In the event that a banner design is not provided, a designee of the baseball program will have the responsibility to design the signage. I understand that this is a one-time commitment and I am not obligated to make any further payments beyond the original lease. All banners will be approved or designed in accordance with Poudre School District policies and standards.

Artwork instructions: The visual clarity of your banner is best if you avoid using smaller text and tiny detailed graphics in the printed artwork. Large simple graphics are more visible from the stands. Please keep this in mind when sending your artwork. Please use one of the following formats for your artwork. PDF, TIF, or JPG. Your artwork can be emailed directly to:
