

## **Lobo Baseball 8<sup>th</sup> Graders**

**This is for Players that will be 8<sup>th</sup> graders this coming school year. Freshmen 24/25 School year.**

**August 13<sup>th</sup> and September 10<sup>th</sup> – 1:00 pm at Rocky Mountain Varsity Field**

Tryout Dates for this Fall and next Summer – August 13<sup>th</sup> and September 10<sup>th</sup> at 1:00 pm at Rocky Mountain High School. These tryouts are for all players planning on coming to RMHS. We encourage all 8<sup>th</sup> graders to show up, even if they plan on staying with their 14u team next summer.

August 13<sup>th</sup> – This tryout will be for next summer, but I have had a few 8<sup>th</sup> graders that have asked about possibly playing with our 16u Fall Baseball team. This tryout can double for players looking to play fall ball with us. You do not have to play fall ball with us. Just an option if you are looking.

September 10<sup>th</sup> – Second tryout for those who can't make August 13<sup>th</sup>. If you can't make either tryout, let me know, we will figure something out. You can come to both tryouts.

Purpose – Connect with our 8<sup>th</sup> graders, tryout for fall/summer ball, explain how next summer works. Let the players know if they have a spot with us for next summer. Not all 8<sup>th</sup> graders play summer ball with us, that will be your choice.

Players - You can show up to one or both tryouts. If you can do both, I would encourage you to come to both. If you are looking to join us in the fall, you will need to be at the August 13<sup>th</sup> date. Make sure you wear baseball gear and have your equipment.

Parents – The tryout will be 1:00 – 3:00 both days. We will have a short parent meeting right after each tryout. I will let you know how the transition to High School Baseball works and be available for questions.
