After you have your card registered -

Please email or text me a screenshot or picture of your current quarter account balance (this is actually the balance from your previous quarter). You can view your balance by logging into your King Soopers account and selecting community rewards. Your balance is in the lower right-hand corner. This will need to be done every quarter and I will send out a reminder. I will track money earned for your players fees from these emailed screenshots and I will keep a running total of earnings for payouts either in March (for Seniors) or May for all others.

Thank you and if you have questions, please reach out.
